

Instructions for use:

Cut out both puzzle and puzzle frame around outside colored borders. Cut puzzle (with picture) into 12 puzzle pieces by cutting on black inside lines. Provide both the puzzle pieces (already cut out and mixed up) and the corresponding frame and have children reassemble the puzzle by matching an answer on each piece to a problem on the frame. For more challenge, mix several puzzles together and provide frames for each.

12×2	4×4	3×7	9×5
4×8	9×9	6×8	2×6
8×7	5×3	7×6	7×12
