

## Where in the World? YOUR RELATIVE LOCATION

Start with "person" and write your name inside the circle. Then move on to each bigger circle in order, filling in your "location" on this planet. What percent of all people are on the EARTH? On your continent? In your country? How many people are in your town or city?

# Where in the World? YOUR RELATIVE LOCATION **SAMPLE**

Start with "person" and write your name inside the circle. Then move on to each bigger circle in order, filling in your "location" on this planet. What percent of all people are on the EARTH? On your continent? In your country? How many people are in your town or city?
