

## Before, During, & After

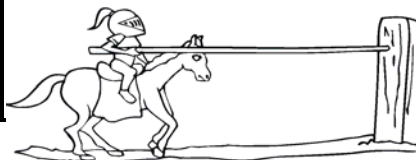

Different sources put different dates to the Medieval Era. Some consider this time period to have begun in 1096 - the year of the first crusade - and ended about 1500.

Using your timeline, find each of the events in the box below and write each in the appropriate column, whether it happened before, during, or after the Medieval Era.

Titanic sinks	1st man on the moon	Great Wall of China built
Joan of Arc	1st printing press	Black Plague in Europe
Fall of Troy	1st coins used	Telescope invented
Mona Lisa painted	1st voyage of Columbus	Chinese invent rockets

<b>Before 1096</b>	<b>1096 to 1500</b>	<b>After 1500</b>
